CAMBO TURBO WOK RANGE

Introducing Cambo's high performance Turbo Wok range cooking line. With leading edge poured high temperature concrete resulting in resilient use and remarkable heat insulation. Each front wok opening is equipped with their own individual fan that allows maximum performance for each chef. Fans are indirectly connected for ease of replacement. With 3 different sizes of opening to suit your cooking needs. The opening are machine extruded to eliminate cracks and allows for optimum performance. Our Turbo Wok ranges are also easy to maintain and service with readily available parts.

RANGE FEATURES

- Poured concrete mix for better heat insulation.
- Stainless steel front, top, backsplash and legs.
- Machine extruded wok opening neck for leak free top.
- Welded faucet connector for easy faucet change
- Individual fan for better heat control
- Indirect connection fan for easy replacement.
- Pull out garbage tray for easy cleaning.
- Easy removable front cover for servicing and maintenance.
- Custom range widths to allow new ranges to fit in existing or unique kitchen conditions
- 11", 13" or 14" wok openings.
