

32" Litter Picker

Opt for our 32" Litter Picker for easy, touch-free collection of litter and debris in parking lots, stadiums, carnivals, front of buildings, sidewalks, parks, school yards and more.

Designed for comfort and efficiency, this 32" Litter Picker eliminates the need for bending, helping reduce strain and fatigue during extended use. Built with a durable, corrosion-resistant aluminum shaft, it's ideal for both indoor and outdoor commercial or industrial environments. Whether you're picking up litter, reaching high shelves, or handling hard-to-grab items, this tool makes everyday tasks easier and more efficient. Constructed from lightweight aluminum that resists bending and rusting, this litter picker is built for long-lasting performance. The rubberized gripping ends provide a secure hold on items of various sizes, from small debris to larger pieces of litter. Designed to save time and minimize physical effort, it's a reliable solution for maintaining clean and safe spaces.

Product Features:

Ergonomic Pistol Grip Handle – Provides comfort and control while reducing hand and wrist strain.

Heavy-Duty Rubber Grips – Securely grasps objects weighing over 5 lbs.

Extended 32” Reach – Easily access high or hard-to-reach areas without bending.

Durable & Corrosion-Resistant – Engineered for long-term use in demanding environments.
